ABOUT US

Established in 1994 as Proprietorship, "Mangalam Plastics" changed its constitution into Partnership Entity in 2004 where we have been continually serving as one stop solution for plastic containers and plastic products. We operate under the brand name of "MangPlast" and have established ourselves as one of the most reliable manufacturer of plastic packaging containers, plastic products and household items of various sizes and shapes as per customer specification and design.

Manufacturing Facilities:

We have sound manufacturing facilities which enable us to manufacture a wide range of products including :

- Blow molding machines having fully automatic controls with Parison controllers in the range to 50mL to 5 L.
- Double head double station blow molding machine to manufacture up to 1 L HDPE bottle.
- Injection molding machine having capacity ranging from 50 tonnes to 350 tonnes.
- Automatic cylindrical screen-printing machine for printing buckets up to 25 L capacity.
- Heat transfer foil printing machine

Product range:

Committed to quality, we have been striving to deliver products that are durable in quality. Our expertise in designing, manufacturing, packaging containers and plastic products has helped us to emerge as reliable manufacturer. The Product ranges available with us are :

- Lubricant containers up to 5 L.
- Explosive containers.
